

# Parent + Community Meeting!!

FRIDAY FEB. 10<sup>th</sup> 2017 @ 630PM

*Grace Garden Christian Preschool*

*10841 S. 48<sup>th</sup> Street PHX AZ 85044*

Our neighbor “Valvoline Quick Oil Change” has obtained his **medical marijuana license to own and operate a dispensary**. His building sits right against our playground raising safety concerns for our preschool. Our sole purpose of this meeting on Friday is to obtain details, information, and discuss our next steps for stopping this businesses from happening. We are not arguing anything dealing with whether or not medical marijuana is good/bad BUT simply its LOCATION!!

***LOCATION LOCATION LOCATION!!***

We are simply arguing the fact that it does not need to be right up against our school and that it would be detrimental to our preschool business that has been here since 2004. We cater to 6 weeks old through kindergarten along with summer school agers.

**Please come show your support, ideas, and help.**
