

Dear Parent/Guardian,

There has been a great deal of media coverage and social media activity about the Arizona Educators United #RedforEd initiative involving teachers and others engaged in activities to bring attention to the issues of low funding for public education.

Per media reports and social media posts, the Arizona Educators United #RedforEd organizers have suggested a potential walkout/strike. In conjunction with Cartwright Education Association leadership we hope to find alternatives that will support our teachers, and avoid disrupting the school day for our students.

In the event we are unable to hold school, we will use all modes of communication to inform our families including our parent auto-dialer system, e-mails, district and school websites, and social media.

Sincerely,
Dr. Jacob A. Chavez Superintendent
