FUN FACT

Did you know Sun City West was once known as "*Lizard Acres*"?

These lizards were made by Sun City West Residents

PLEASE DO NOT TOUCH OR MOVE as they are part of the 40th Year Anniversary Scavenger Hunt Project

Sun City West is turning 40 this February. Our community of Sun City West was built on an area once called *Lizard Acres*. As a fun activity during the month leading up to the 40th Anniversary celebrations, we are having a “Lizard” Scavenger Hunt.
