Dear Chaparral Parents and Guardians,

I want to inform you about an incident that occurred off campus early this morning. One of our Chaparral students was robbed on the way to school. The student called 911, and the Scottsdale Police Department came to the Chaparral east student lot to investigate the incident.

The student and his family are fully cooperating with the Scottsdale Police Department as they investigate the incident. Chaparral High School and the Scottsdale Unified School District are committed to ensuring a safe and orderly learning environment and assisting our students with incidents that occur on the way to and from school.

Most of us trust others; this incident serves as a reminder that we should all keep car doors locked and be attentive even in well-lit and populated areas.

Sincerely,

Dr. Angela Chomokos
